HALL RUNNERS—Oriental Antique Pieces, at \$45.00

Third Floor.

WANT TRANSFERS TO SEVEN PINES

Hearing Against Rappahannock Line Will Be Had Before Commission To-Day.

Before the State Corporation Commission this morning at 10 o'clock will come the application of Dowden and other citizens of Henrico County for an order compelling the Richmond and Rappahannock Railway Company to enter into transfer agreements with the Virginia Railway and Power Company. Many witnesses have been summoned on both sides, and it is quite likely that the hearing may continue for several days.

There is no doubt that this question will be hard fought, since it means much to both sides. In any event, an appeal to the Supreme Court is probable. When the electric line between Richmond and Seven Pines was owned by the Virginia Railway and Power Company transfers were given to and from it, so that residents of Highland Springs and other sections along the route might reach any part of the city without extra fare. Returning, they could get a transfer to the Seven Pines line from any other line.

Since the sale to the new company last winter transfers have been abolished, and two fares must be paid, or the passenger must walk to and from Twenty-ninth Street. In permitting the transfer of the franchise the City Council took care only of the people of Richmond, which amounts to nothing, since the line only runs for four squares in the city limits.

TUCKER NOW ADJUTANT

Accepts Staff Appointment With Blues and Is Commissioned.
John Randolph Tucker, recently appointed by Major E. W. Bowles to be adjutant of the Richmond Light Infantry Battalion, has accepted the position and was commissioned yesterday by Adjutant-General W. W. Sale. He has the rank of captain of Infantry in accordance with the provisions of the military law, and is the nephew of the late General Tucker, who served in the Civil War.

GIRL CHOKED BY NEGRO ROBBER

Screams From Woman Who Saw Hold-Up Frightened Him Away.

While returning home last night at 6:20 o'clock, Miss Louise Reeves, seventeen years old, of 2202 West Leigh Street, was attacked by an unidentified negro, choked and robbed. The hold-up occurred between the stock yards and the Boulevard, north of Broad Street. Screams from a woman who was behind Miss Reeves frightened the highwayman away, but not until he had struggled with her and had taken \$1 in cash and 50 cents worth of car tickets.

William Joyner, employed as a chauffeur by the Gordon Motor Company, heard the woman's shrieks and hurried to her side. She pointed to Miss Reeves, who had swooned and was lying upon the ground. He picked up the young woman, placed her in an automobile and hurried her to her home.

The city police were at once notified. The attack occurred in the county, just beyond the city line, and because of that fact the county police were immediately notified. Officers from Richmond and Henrico immediately went to work on the case.

When Dr. H. T. Hawkins, City Hospital ambulance surgeon, responded to an emergency call, he found Miss Reeves in a hysterical condition and was unable to obtain any details of the affair from her.

It was with difficulty that the police got a description of the negro. He was said to be about twenty years old and rascally.

It is understood that the highwayman approached Miss Reeves and requested a nickel. Upon being refused, he roughly grabbed her about the throat and, after choking her, held her while he opened her purse and extracted the money and tickets. It was the screams of the woman who was following which frightened him and prompted her to call for help from further outrages.

DENIAL FOR TURNBULL

Save Main Charges Are False and Will Be
In a letter to a personal friend in Richmond, N. S. Turnbull, Jr., attorney for the Commonwealth in Lunenburg County, states that he will be prepared at the proper time to utterly deny the accusations made against him by Dr. E. W. Mann in the Board of Education. In the Mann charges Mr. Turnbull is said to have refused to prosecute the case against the Brown's store. Turnbull adds: "I think that it is very unfortunate that Dr. Mann should have made these unjust and untrue charges, and that they should be so persistently repeated."

The Miller & Rhoads Predominating Feature is Quality!

People know that it is not what they pay, it's what they get that counts—quality is the great criterion. At Miller & Rhoads our boast is QUALITY—quality of service—quality of courtesy and attention. It is no presumption for us to claim "quality" in the treatment of our patrons from the moment they enter our store till the actual delivery of their purchases.

We pride ourselves in the entire absence of the least approach to that which is spurious—nothing less than the "real (and best) thing" at Miller & Rhoads—and this implies the highest degree of "quality" in all that goes to make storekeeping an enduring success.

MILLER & RHOADS.

Conductor Saw Accident.

The principal witness for the Commonwealth was R. L. Lumpkin, a street car conductor. He testified that he was passing Meadow Street when he saw a man dragging another from beneath the wheels of an automobile. He stopped the trolley, he said, and ran to his assistance. Before he reached the automobile the driver had placed the injured man on the pavement, jumped in his machine and drove away. He was confident that the driver was Miller. He did not speak to him, however, as the machine rolled away before he came up. His next step was to aid citizens to remove Mr. Ruehrmund to his home.

With twenty-one witnesses the defense attempted to prove an alibi for Miller. Efforts were also made to impeach witnesses for the Commonwealth.

Woman an Alibi Witness.
Mrs. J. K. Messimer, of Brookland Park, was one of the principal witnesses for Miller. She testified that Miller and his two brothers-in-law, Edgar and Frank Hertsch, were at her home with the automobile a short while before Ruehrmund was run down, and it was attempted to show that Miller would not have had time to have reached the scene of the accident at the hour it occurred. The Hertsch brothers and others corroborated this evidence.

All of the defense witnesses were certain of the date, March 20, but none could recall a single incident that happened the day before or the day after. When cross-examined by Mr. Folkes, Miller was punished with a fine, a fine and imprisonment in jail or sent to the penitentiary for not more than ten years for malicious wounding.

In view of the prospect of early incorporation no action was taken on the annual budget beyond the appropriation of \$250 for the treatment of diseased trees on the streets. With the probability that before the end of the year Ginter Park will be a regularly constituted municipality, it was thought wise to leave the disposition of the budget to the Council which will be chosen to administer its government.

Representatives of the Henrico Gas Company applied for the rights to supply the settlement with illuminating gas, but the association declined to take action and referred the matter to a committee. The company proposed to furnish gas for the first five years at \$1.10 per thousand. For the ten years following, according to the schedule, the price would be \$1.10 and for the remaining fifteen years of the franchise the rate would be only 50 cents—the price charged in Richmond.

The report of the treasurer showed the affairs of the association to be in a flourishing condition. The income from property taxes during the fiscal year was approximately \$5,000.

Refusing Plant Case Goes Over.
Commonwealth's Attorney Sutton was unable to be present yesterday when Magistrate H. S. Sunday of Henrico County called the case against the Richmond Trolley Company, which is charged with maintaining a nuisance at its plant, two miles below the city. At Mr. Sutton's request the hearing was postponed until November 4.

Officials of the company were present and ready to testify, as were the residents of the section around the refinery plant. It is charged that the gases are dangerous to the persons within their range.

Marriage Licenses.
The following marriage licenses were issued yesterday in the clerk's office of the Henrico County: George C. Tillman and Beulah Louise Lowndes; Samuel W. Tinsley and Irene S. Wyatt; Leon L. Schwan and Fannie M. Browne; Ellis M. Gifford and Annie M. Williams; Henry Holland French and Ellen Lucile Lumsden; Charles H. Fleet and Mabel Herndon Beard.

MILLER JURY IS UNABLE TO AGREE

Barber, Indicted for Running Over Carl Ruehrmund, on Trial in Hustings Court.

Frank Miller, the barber-chauffeur, indicted for recklessly driving an automobile and running over and seriously injuring Carl Ruehrmund, of 2021 West Grace Street, was placed on trial yesterday morning at 11 o'clock in the Hustings Court. The case was not given to the jury until 8:02 o'clock last night. After half an hour's deliberation, the jurors reported they had been unable to reach a verdict and were adjourned by Judge D. C. Richardson until this morning at 10 o'clock, when they will make another effort.

Mr. Ruehrmund was run down by an automobile on the night of March 20 last in Broad Street, at Meadow, just as he had left a car and was crossing the street on his way home. He was thrown under the wheel and the driver immediately threw on his brakes. The latter removed the prostrate man and then drove away, leaving him helpless in the street.

Town Aroused by Brutal Act.
The city was aroused by the brutality of the act and rewards were offered for the arrest and conviction of the chauffeur. Fifteen days later Miller was arrested and charged with the offense. His arrest came about through information supplied by two young women, who said they were with Miller when he ran down a man at Meadow and Broad Streets.

When arraigned yesterday, Miller, who was represented by Attorney Benjamin Lowenstein, entered a plea of not guilty. Commonwealth's Attorney Minette Folkes appeared as prosecutor.

Mr. Ruehrmund, who has not yet recovered from his injuries, was a first witness. He related the same story told in the Police Court, explaining how the accident occurred, but could not say whether Miller was the guilty party.

The women followed him on the stand and asserted that they had been for a ride in Miller's car and were returning home with him. One of them asserted no lights were showing on the machine, and she cautioned Miller of this fact, but he made no effort to light up. She testified that she did not see Mr. Ruehrmund until he had been hit. Frightened, both of the girls stepped out of the machine and walked swiftly away. Both declared on the stand they were certain Miller would place his victim in the car and take him to a hospital or some physician for treatment.

The conference was attended by the following officers: Adjutant-General W. W. Sale, Brigadier-General C. C. Vaughan, Jr., Colonel R. F. Leedy, Colonel W. J. Perry, Colonel E. E. Goodwin, Major T. M. Wortham, Major E. W. Bowles, Major C. Wright, Colonel C. H. Consovo, Colonel Jo Lane Stern, Captain Partello, Colonel Charles A. Dempsey and Adjutant W. W. LaPrade.

Disturbed Hospital Patients.
Lula Starke, colored, was fined \$20 and costs yesterday morning in Police Court for being disorderly in College Alley. The heavy fine was imposed in view of numerous complaints which have been made lately of the conduct of negroes in this alley, which has disturbed patients in the Retreat for the Sick. Monday twenty-seven were fined \$5 and costs each for the same offense.

Will Be Found.
On January 3 last Philip J. Reynolds qualified as administrator of the estate of his brother, Joseph A. Reynolds, the estate being roughly valued at \$50,000. Yesterday the administrator reported to the Chancellor that he had discovered among his brother's papers a will, all in his own handwriting, dated September 12, 1907, properly signed and witnessed. The will was offered for probate and duly received. It directs the disposition of certain real estate to relatives.

Bull Moose Rally.
The Roosevelt-Johnson Club of Richmond, is busy with its preparations for the rally which will be given to-morrow night under its auspices at Harrison Hall, Broad and Newport Streets. George Selma Wise, a Republican, will be the speaker. The progressives expect to get a good-sized crowd out.

SHE SOBS OVER THEFT OF HER \$53 SAVINGS

Tearfully Tells of Loss of Money From Trunk.

These headlines in the afternoon paper briefly tell the story of an oft-repeated financial tragedy—this one witnessed by Court officials a few days ago. Fifty-three dollars represented the savings from many hours of hard work, and was in her case a very great loss.

Justice Critchfield sympathized with the complainant and assured her he would do everything possible to help her get back the money. "But in the meantime, judge," she said, "it's going to be so hard to get along without anything."

and insures the small sums as well as large amounts of money. You can withdraw any amount any time you need it, and have the satisfaction of knowing that your balance with us is receiving SECURITY AND SERVICE.

STATE GUARD MEN CONFER WITH SALE

Assemble at Adjutant-General's Bidding to Pass on Pending Military Business.

In response to an order issued by Adjutant-General W. W. Sale, prominent officers from the State militia gathered yesterday for a conference in the office of the Adjutant-General for the purpose of passing upon a number of important matters now pending.

Two sessions were held, one at 10 o'clock in the morning and another at 2:30 o'clock in the afternoon. The conference adjourned at 5:30 o'clock last night. The most significant single act of the conference was the unanimous adoption of a resolution recommending the creation of a judge-advocate department in charge of a judge-advocate to be named by the Governor. The recommendation was addressed to Governor Mann, who is clothed with the authority to name such other members of the proposed department as he may deem necessary.

Such a department would undertake the conduct of the State's case in court-martials and related proceedings, and would result, it is claimed, in a simplification of the procedure now employed.

Directs Allotment of Funds.
The conference drafted a number of recommendations to the military board touching the distribution of the funds derived from the legislative enactment providing that 1-1/2 per cent of all State taxes, except school taxes, shall be devoted to military purposes. The allotment will this year aggregate approximately \$55,000.

The officers recommended to the military board that each company and battalion be allowed \$100 per man for each man present at the last State inspection, the money to be devoted exclusively to military uses under the direction of the board.

Considerable discussion arose as to the sites for next year's encampments. It was decided to leave the matter open for final decision at a later date. The conference recommended a number of improvements to the camp at Virginia Beach, among them the construction of several additional permanent buildings.

Delegates to Convention.
A recommendation was adopted asking the Governor to appoint as delegates to the next convention of the National Guard, the commanding officers of each of the military units of the State. The convention meets at Norfolk, December 2, 3 and 4.

It was further recommended that the funds derived from the military appropriation made by the national government, be drawn upon to supply two suits of khaki to each soldier in the State, as well as sufficient canvas if the appropriation permitted.

The conference was attended by the following officers: Adjutant-General W. W. Sale, Brigadier-General C. C. Vaughan, Jr., Colonel R. F. Leedy, Colonel W. J. Perry, Colonel E. E. Goodwin, Major T. M. Wortham, Major E. W. Bowles, Major C. Wright, Colonel C. H. Consovo, Colonel Jo Lane Stern, Captain Partello, Colonel Charles A. Dempsey and Adjutant W. W. LaPrade.

Will Be Found.
On January 3 last Philip J. Reynolds qualified as administrator of the estate of his brother, Joseph A. Reynolds, the estate being roughly valued at \$50,000. Yesterday the administrator reported to the Chancellor that he had discovered among his brother's papers a will, all in his own handwriting, dated September 12, 1907, properly signed and witnessed. The will was offered for probate and duly received. It directs the disposition of certain real estate to relatives.

Bull Moose Rally.
The Roosevelt-Johnson Club of Richmond, is busy with its preparations for the rally which will be given to-morrow night under its auspices at Harrison Hall, Broad and Newport Streets. George Selma Wise, a Republican, will be the speaker. The progressives expect to get a good-sized crowd out.

SHE SOBS OVER THEFT OF HER \$53 SAVINGS

Tearfully Tells of Loss of Money From Trunk.

These headlines in the afternoon paper briefly tell the story of an oft-repeated financial tragedy—this one witnessed by Court officials a few days ago. Fifty-three dollars represented the savings from many hours of hard work, and was in her case a very great loss.

Justice Critchfield sympathized with the complainant and assured her he would do everything possible to help her get back the money. "But in the meantime, judge," she said, "it's going to be so hard to get along without anything."

Gans-Rady Company

ASKS COURT FOR BRIEF RECESS

Special Henrico Grand Jury Adjourned Until To-Morrow.

After remaining in session but a short time yesterday, the special grand jury summoned in Henrico County to investigate cases of alleged tax-dodging asked Judge Scott for an adjournment until to-morrow afternoon at 1 o'clock. The jurors also asked that W. B. Frayner and J. A. Leach, commissioners of the revenue for the county, be summoned before them when they reconvene. Both requests were granted.

The grand jury met yesterday morning at 10 o'clock. A brief but pungent charge from Judge Scott preceded the commencement of the work. As a basis for the investigation, the tax books of Henrico County, together with lists of returns provided by State Auditor C. Lee Moore, were placed in the hands of the foreman.

In his charge, Judge Scott told the jurors that the work they were called to do might be hard, but that some action was necessary. The jury, said Judge Scott, has many years of experience in the statute books, without any results, so far as he knows. If any frauds in the tax returns exist, he said, the jurors must rely on their own efforts to detect it.

The nine men who compose the grand jury are: T. Crawford Redd, foreman; John Stewart Bryan, J. M. Penick, Frank Powers, E. J. Willis, F. M. Conner, W. M. Milam, S. C. Freeman and Hugh N. Nelson.

JACKSON FINED \$50

But Court "Tender" Him to Pay It for Perjury When He Can.
William Andrew Jackson, forty-three years old, a laborer, of 3525 Fourth Street, Fulton, was fined \$50 and costs yesterday in Police Court for perjury, and was fined \$50 and costs by Justice Critchfield. Jackson did not have the money with him, but was "tendered" for it.

He was arrested on a warrant sworn out by the mother of Minnie Meeks, who accused him of swearing falsely to the girl's age when she applied for a marriage license to wed George Davis last Saturday in the clerk's office of the Hustings Court. Jackson is said to have sworn the girl was twenty-one years old, when she was only sixteen.

He defended himself by saying he was not aware of what he was doing, but the court held that ignorance was no defense, and imposed the fine.

STILL AT WORK

Grand Jury Wants More Time to Investigate Tax Returns.
After several hours' deliberation yesterday afternoon the Hustings Court grand jury, investigating the cases of alleged tax-dodgers in Richmond, through its foreman, Captain Charles F. Taylor, informed Judge D. C. Richardson that it had no report to make, and requested to be adjourned until this afternoon at 3 o'clock, which was accordingly done.

Just now the jury is considering figures from the office of the Commissioner of Revenue, and it will be several days, it is expected, before any citizens will be called as witnesses. It is understood that considerable preliminary work will be necessary before the jury takes up individual cases.

DR. E. C. LEVY SPEAKER

Addressed Members of Richmond Railroad Club at Monthly Meeting.
Dr. E. C. Levy, of the City Health Department, was the guest speaker of the Richmond Railroad Club last night on the subject, "The Health of Railroad Men in the City and on the Road." The club was the regular monthly meeting of the club, held in the parlor of Murphy's Hotel. Dr. Levy was presented by President E. H. Lea.

The club transacted much routine business, and voted on a number of applications for membership. A resolution offered by W. R. Owens was adopted, changing the time of holding the monthly meeting from the second Friday to the second Monday in each month.

BALKAN TROUBLE HURTS RICHMOND

Machinery Company Notified Not to Ship Thresher Until War Is Over.

The following letter received by a well-known machinery manufacturing corporation of Richmond adds an element of realism and another touch of local interest to the grave situation in the Balkans.
"Dear Sirs:—Since our country, Bulgaria (as well as Servia, Greece, Montenegro), is in a state of mobilization since September 28, all institutions are closed; all commercial transactions stopped; all business stopped; every male person is called to defend his country—all attention is turned to general national concerns. Of course, know these difficulties into which our people are placed by the European powers, and how the barbarous Turks, helped by Germany, and especially by Austria, oppress, slay and exterminate our people in the neighboring Turkish province called Macedonia, and our people wish reforms in that province. Our railways are all engaged for military purposes, and will be so for a long time, yet shipped my to be if you have it yet; postpone shipment until I notify you, because it may stay in Varna for months and be spoiled. Write soon.
Yours truly,
"GEORGE V. FOFORT."

MESSENGER BOY KILLED BY CAR

Struck While Riding Bicycle on Richmond and Henrico Railway Viaduct.

Coroner Taylor yesterday afternoon began an inquiry into the death of Warner W. Payne, the seventeen-year-old messenger boy, who was almost instantly killed yesterday morning at 10 o'clock when struck by a Richmond and Henrico Railway car on the Marshall Street viaduct. However, to secure the presence of material witnesses the inquiry was continued until 10 o'clock this morning, when it will be held in the City Hall.

Payne, who lived at 1616 North Twenty-second Street, and was employed by the Western Union Telegraph Company, was riding a bicycle and following a westbound car over the high bridge. The car suddenly slowed down, and to avoid running into it, Payne turned to the left, as an approaching eastbound car was upon him before he could jump. He was thrown several feet and struck the pavement on his head, fracturing the skull. Death was almost instantaneous.

Dr. H. T. Hawkins, City Hospital ambulance surgeon, responded to an emergency call, but his services were of no use, and the coroner was notified.

Motorman W. H. Jones and Conductor M. W. Brown were arrested. Jones was bailed in the sum of \$1,000 for his appearance in Police Court this morning by Judge D. C. Richardson in the Hustings Court, while Brown was released under \$500 bond for his appearance.

Damage Suit on Trial.

Many witnesses were examined yesterday in the suit of Mildred S. Peetros, an infant, against the Virginia Railway and Power Company, in which damages are claimed in the sum of \$20,000. The case will occupy the attention of the Law and Equity Court for several days.

Qualifies as Administrator.
Miss Annie R. Constable qualified yesterday in the Chancery Court as administrator of the estate of William E. Constable. The estate is valued at \$2,500.
